

WELCOME TO THE LARGEST PAINTBALL'S FIELD in Barcelona!

We have a field of 10 hectares which has been divided into 9 different stages

- At only 15 km away from Barcelona
- 4 hours of "Paintball" Competition
- Scenarios with more than 3 hectares dedicated to Paintball

WHO ARE WE?

-Barcelona's Paintball is the oldest strategy's games company existing in Spain. Since our foundation in 1994, multitude of groups, companies and organizations of different characteristics and dimensions, have participated in our activities.

-Our goal is not only the Paintball activity, but to fulfil the expectations of our guests, on having an excited day on a journey full of nature, and an unforgettable and antistress experience. The game's features allow to appreciate the single and group skills of the participants: personal initiative, courage, strategy, intelligence, improvisation, group leadership, therefore being Paintball considered as one of the most effective activities to draw conclusions on the formation of collective enterprise. Our Paintball system path, changing stages, allows us to have a great variety of games and a great capacity for participants. (Our equipment's availability allows us to perform simultaneous games with 150 players.)
